BlackStorm 1RU Frame - **Purple Haze / Polished Logo**

XPression 2RU Frame - **Blazing Copper / Polished Logo**

Spectral Density - The good kind.

SPECTRUM with FrameGlow™
by **ROSS**

What the **Control Room** wants, the **Control Room** gets.

A·C·U·I·T·Y

Picture an Acuity backslash adorning this bezel fastened to a modern looking matching blue AUX panel surface.

Or the Furio Robo and RC trimmed in yellow and Dark Slate Grey. It's already a beautifully modular design - changing up the paint scheme could really drive some decisions our way - These robots will rival the on-stage talent. It's coming :)

What the **Control Room** wants, the **Control Room** gets.
